

SALES & INVENTORY

Starbucks Carts are designed to offer Starbucks' most popular beverages as space constraints do not allow full product assortment. To ensure best moments, connect with customers to find the best possible substitution if their regular order is not available.

Beverages included:

- Core Espresso beverages (including alternate milk options)
- Blonde Espresso beverages (only if store has a Mastrena II)
- Promotional beverages (unless excluded)
- Brewed Coffee (Pike Place® Roast Only)
- Iced Coffee
- Cold Brew (including cold foam, etc.)
- Hot Chocolate/Steamers
- Hot Tea beverages
- Iced Tea beverages (including Lemonade)
- Starbucks Refreshers™ (Two flavors)
- Ethos® Water bottles (US only)

Beverages excluded:

- Nitro Cold Brew
- Blonde Espresso (if store has a Mastrena II)
- Steamed apple juice & Caramel Apple Spice
- Ready to Drink offerings (except Ethos® Water)
- Limited-time offerings (beverages) intended to last fewer than four days
- New core offerings which launch while Starbucks Cart is deployed

SALES & INVENTORY

Starbucks Carts are designed to offer Starbucks' most popular food selection as space constraints do not allow full product assortment. To make the moment right, work with customers to find the best possible substitution if their item is not offered.

Food offerings will vary depending on whether your store utilizes the optional warming tower unit.
